What's Hot

Toy of the Year

Former Toy of the Year in the United Kingdom, Bilibo is a shell-shaped plastic toy that comes in six different colours and two sizes. Suitable for kids aged 2-7 years old, Bilibo does not impose a specific way it must be played with; it is opened to many interpretations, whether it may be used as 'pots and pans', a spinning seat, tunnel for your train track or as a hat. It encourages children to be inventors rather than using already-made ideas. Imaginative play trains children to be more attentive, confident and teaches young children to share and communicate.

年度玩具

曾獲英國最佳玩具的Bilibo是一個殼形塑膠玩具，共有6種顏色，兩個尺寸，適合2-7歲的小朋友。它沒有特別的使用說明或規則，你可以無限發揮，可當廚具又可當「迴旋椅」，或火車隧道。這樣的遊戲鼓勵小朋友做發明家，自創遊戲。這充滿想像力的遊戲讓小朋友更留心，更有自信及教他們怎樣禮讓及溝通。
